INTRODUCTION

STUNNING new home currently under construction. Indulge yourself in the luxury of this elegant home! Custom built and intentionally situated to capture the fabulous mountain views in every direction. The impressive entrance reveals an inviting open floor plan with a gas fireplace, aspen vaulted ceilings, and a wall of glass doors and windows to capture the great views and provide maximum natural light. Over 3,500 sq.ft. of finished living space and all on one level for your ease and convenience. This is a chefs dream kitchen with staggered, soft closing knotty alder cabinets and drawers, granite countertops, stainless appliance package including gas range, large island with deep drawers, and loads of counter top space. PLUS theres a large walk-in pantry! This thoughtfully designed floor plan separates the master suite on one side of the house from the rest of the living space and guest bedrooms providing a quiet comfort with reduced sound transfer of living noises. The master suite has a private bath with tiled shower, double vanity, pedestal tub, exquisite walk-in closet, and in-home office or studio space with picture window facing Livingston Peak. Two of the guest bedrooms share a common full bath while the 3rd bedroom has a private full bath. A large covered front porch as well as a spacious, secluded back patio designed to enhance your outdoor living enjoyment by providing shade in the afternoon and protection from the wind. Special features include: Central AC, ceiling fans in each BR & living room, solid alder door & trim package, metal roof, and 2 of Spray-Foam insulation on the perimeter of the house which provides an airtight seal for additional comfort, heat retention in the winter and cold air retention in the summer, structural rigidity, noise reduction, and draft protection from Livingston winds. Fiberglass batts are then added for a total energy efficiency insulation package of R-48/50 in Ceiling (17 thick), R-25 in walls (5 thick). Attached oversized triple garage is fully insulated and sheet rocked, plumbed with a gas line for installing an overhead heater and a car charging station for your electric car, too! Wildlife visits are a common experience including the daily deer and antelope, as well as elk on occasion. Conveniently located less than 4 miles from town yet with the feeling of country on 2.412 acres. Photos will be updated to show finishes and features as completion progresses!

LIVINGSTON LIFESTYLE

Livingston, Montana is a historic train town from the late 1880's that has attracted cowboys, ranchers, artists, and the rich and famous who are enamored by the scenery of this area of southwestern Montana. Livingston has been featured in movies like A River Runs Through It, The Horse Whisperer, and numerous TV series and commercials.

Historic Downtown Livingston has lively restaurants and shops, some of which have been around since the late 1800' s. Livingston is known for fly fishing, cross-country skiing, horseback riding, river rafting and numerous museums, art galleries and restaurants.

When it comes to outdoor recreation the town of Livingston is surrounded by four beautiful mountain ranges, and offers the Yellowstone River, Shields River, and numerous stream and spring creeks for an abundance of outdoor activities. Bridger Bowl, a home-grown, nonprofit community ski area operating since 1955 is located 29 miles from Livingston. Big Sky Resort is 68 miles away and is also frequently recognized as one of the world's best ski resorts, most affordable ski resort, and best ski resort for families. Yellowstone National Park(2.2 million acres) is located 50 miles south of Livingston.

With a population of about 7,000 people, Livingston has the amenities and services buyers expect for a town of this size. Livingston is less than 20 minutes from Bozeman. The Livingston School District includes Elementary Schools, a Middle School, and a High School. The median price of a single family home in Livingston is 18% lower priced than single family homes in Bozeman and appeals to buyers seeking a smaller town, yet still want to be close to the amenities of Bozeman.

PARK COUNTY

Park County, Montana's estimated population is 16,438 with a growth rate of 1.94% in the past year according to the most recent United States census data. Park County, Montana is the 11th largest county in Montana. Park County has a total area of 2,813 square miles (1.8 million acres or 7,290 km²), of which 2,803 square miles (7,260 km²) is land and 10.4 square miles (27 km²) (0.4%) is water. The highest natural point in Montana, Granite Peak at 12,807 feet (3,904m), is located in Park County.

Paradise Valley is a major river valley of the Yellowstone River in southwestern Montana just north of Yellowstone National Park in the southern portion of Park County, Montana. The valley is flanked by the Absaroka Range on the east and the Gallatin Range on the west. The Yellowstone River, one of Montana's Blue Ribbon Trout Rivers, flows through Paradise Valley and is noted for world-class fly fishing in the river and nearby spring creeks such as DePuy Spring Creek. The valley hosts other natural wonders such as several natural hot springs, including Chico Hot Springs near Emigrant, Montana, La Duke Hot Springs near Gardiner, and Hunter's Hot Springs near Livingston. A small part of Yellowstone National Park is located in the extreme southern part of the county.

The northern end of Park County, Montana contains the Shields River Valley. The Shields River is a tributary of the Yellowstone River. It flows west, then south, between the Bridger Range to the west and the Crazy Mountains to the east, past Wilsall and Clyde Park. It joins the Yellowstone approximately 10 mi (16 km) northeast of Livingston, MT.
