LIVINGSTON LIFESTYLE

Livingston, Montana is a historic train town from the late 1880's that has attracted cowboys, ranchers, artists, and the rich and famous who are enamored by the scenery of this area of southwestern Montana. Livingston has been featured in movies like A River Runs Through It, The Horse Whisperer, and numerous TV series and commercials.

Historic Downtown Livingston has lively restaurants and shops, some of which have been around since the late 1800' s. Livingston is known for fly fishing, cross-country skiing, horseback riding, river rafting and numerous museums, art galleries and restaurants.

When it comes to outdoor recreation the town of Livingston is surrounded by four beautiful mountain ranges, and offers the Yellowstone River, Shields River, and numerous stream and spring creeks for an abundance of outdoor activities. Bridger Bowl, a home-grown, nonprofit community ski area operating since 1955 is located 29 miles from Livingston. Big Sky Resort is 68 miles away and is also frequently recognized as one of the world's best ski resorts, most affordable ski resort, and best ski resort for families. Yellowstone National Park(2.2 million acres) is located 50 miles south of Livingston.

With a population of about 7,000 people, Livingston has the amenities and services buyers expect for a town of this size. Livingston is less than 20 minutes from Bozeman. The Livingston School District includes Elementary Schools, a Middle School, and a High School. The median price of a single family home in Livingston is 18% lower priced than single family homes in Bozeman and appeals to buyers seeking a smaller town, yet still want to be close to the amenities of Bozeman.

PARK COUNTY

Park County, Montana's estimated population is 16,438 with a growth rate of 1.94% in the past year according to the most recent United States census data. Park County, Montana is the 11th largest county in Montana. Park County has a total area of 2,813 square miles (1.8 million acres or 7,290 km²), of which 2,803 square miles (7,260 km²) is land and 10.4 square miles (27 km²) (0.4%) is water.
